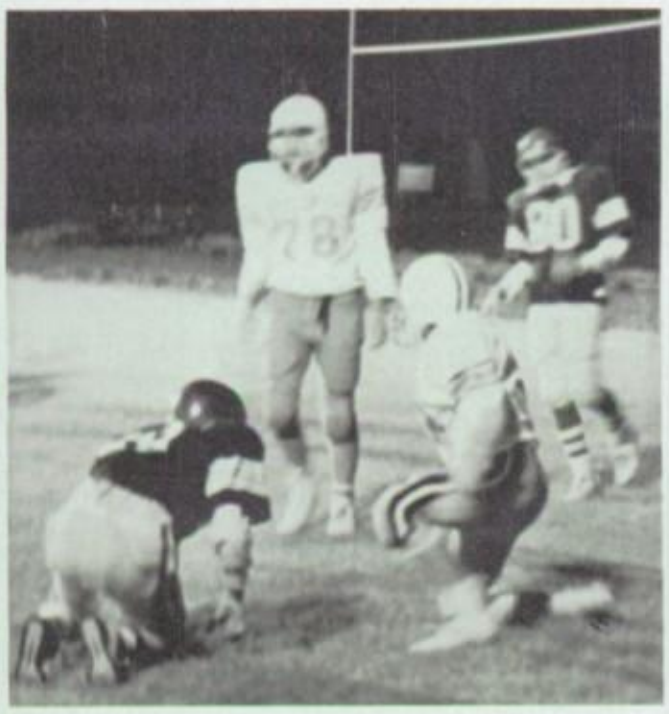
Death Row



Pay homage to your master, slave!

The 1987 football season was a very successful season. For the first time ever, the Burke Central-Columbus Co-op made the state playoffs. Marshall Hermanson was named to the 9-man, all-state football team as a linebacker, being the first Panther ever to be named to the honor squad. The offense combined a strong option running attack with some accurate passing to outscore their opponent 25 to 20. The defense combined strong linebacker and safeties to hold their opponents down. The Panthers also practiced and played with a lot of intensity, enthusiasm, and unity, making the season a very memorable one for all players, coaches, and fans.

The girls finished fourth in the District tourney despite a season weighted with losses.

Melissa Probst was voted to both the all-tournament and all-district teams.

New school records were set by Wendy Johnston for most rebounds in a single game, most rebounds in a season, and highest free throw percentage in a season. Melissa Probst for most field goal attempts in a season, most turnovers in a season, and most three point goals in a game.

Highlights of the season were beating Bowbells by one point as they were rated second in the District and defeating Columbus during the District tournament.

By Pam Ring

We started out the season with a new coach, a lot of talent, and high goals. As the season progressed, our record showed few wins, which was a big disappointment to us all. Even though we didn't win many games, we showed the desire to work hard and not give up. The highlight of our season was defeating Bowbells which gave us hopes for the District tournament. In the District tournament, we defeated Columbus which gave us fourth place. Over all the season was long, but we learned to accept defeat and appreciate victory.

Knick-Knack Paddy-Whack, give the dog a bone!!!

Our 1987-88 season was a very successful one with a record of 14-8. We won the last Burke County Tournament and also earned the Oil Basin Conference trophy for the first time ever. We defeated Bowbells, Powers Lake, and Columbus every time we played them. The team placed 2nd at the district tourney, sending us to the regional tournament for the first time since 1981. Another major highlight was defeating Divide County on their home floor in February.

Golf

1988 State Champions

This year's Burke Central Golf Team finished their season on May 31 and June 1 with a first ever Burke Central win at the State Sand-Green Tournament. The top five golfers were selected to represent us at the competition. Among them Mike LeBeau placed as 4th individual and Scott Fettig coming in as ninth. The team won four out of the seven regular season meets and placed second in two of the others. The girls team had a fairly successful season and is showing promise for next year.

Both the girls and boys Pee-Wee Basketball teams enjoyed success this year. They both won their jamborees, with two of the four teams going undefeated during the season.

The participation was good with 18 girls and 15 boys competing. They were split into four teams so that there would be more playing time.

The improvement in physical and mental skills should help these students in the future. It was a fun year.

Track practice started April 5th at Burke Central this year. Everyone enjoyed running from 2 to 6 miles a day in addition to sprint and field event work.

We attended meets in Trenton, Kenmare, Tioga, Stanley, Williston, and anywhere else that would invite us.

We co-oped with Columbus this year. Jeff Eggen was the team manager. Mr. Gary Pickell was the Columbus coach while Mrs. Pam Rettig Ring was the Burke Central coach.

I'm gonna tell Ma!

The Junior Class presented the three-act comedy "Feudin', Fightin' and Fussin'" on April 14, 1988.

Each member fo the junior class had a role and performed to his/her utmost. Especially entertaining were Jamie Ellis as Zeke, Jill Weinmann as Widow Kendall and Mitchell McEvers as Hiram although the entire cast contributed priceless moments to the performance.

Not here, girls!! Control yourselves.
